We have sponsor/s that Lion Befrienders has found for the moon cakes. We have sponsor/s from Keat Hong RC. Many people from the RC came to help distributing the door gifts. Lastly, we have Bai Yun Kong Shan Fo Tang. It is our honour to have Teng Rong Shi Fu, the abbot of Bai Yun Kong Shan Fo Tang and Shan Hui Shi Jie, the president, to lead a group of followers to help the distribution of the door gifts. At the same time, the abbot went around to give out Red-packets to all folks that were present.

Before the end of the programs, many volunteers that were not involved in the program have already started to help in the scooping of the foods for the folks. Plates that were fully filled with foods covered three round tables. We even have to stack up the rest of the plates. At the end of the programs, we served the folks with plates of delicious food and hot drinks.

After dinner, the folks left and, it is not the end. All of us helped to clear and clean the multi-purpose hall. Making sure that all chairs and tables were stacked properly and the hall was cleaned like before.

It was a wonderful event. It is not easy, but I believe, we are glad that all our effort did not go wasted. The reason is, the folk enjoyed the programs that we planned, and they were home not emptied handed, but with 3 bags of gifts and a Red-packet.

Taking this opportunity, on behalf of Banda 3 & 6 together with Mr. Ho, I would like to say 'Thank You' to all volunteers that have put in their effort in making this celebration a successful one. Till then, I wish all volunteers "Good Health n Happiness".
